

TAKE OFF

Taking learning to new heights

Gold class

The Gold curriculum is focussed around the objectives in the UK Curriculum of year 5 (grade 4). The schedule below shows the objectives that will be taught each week on the course.

Pricing

Full course - \$750 – for 12 sessions.

Late joiners - \$65 per session.

The course will allow full access to the resources and tutors will be available to respond to specific questions throughout the course.

The course for term 2 of the academic year 2024-25 will run from the week beginning 06.01.24 until week beginning 31.03.24
